ERRATUM

On November 12, 2004, I issued a Decision and Direction of Election in this matter. The purpose of this "Erratum" is to correct and modify footnote 7 of the Decision and Direction of Election.

Accordingly, footnote 7 on page 4 of the Decision and Direction of Election is hereby corrected and modified to read as follows:

⁷ The record reveals that the Employer employs two drivers, two custodians and quality control employees. It is not clear from the record whether the parties dispute the inclusion of the above described employees in the unit that I found appropriate herein. Moreover, I cannot make a unit placement decision for those employees based on the record at hand. Accordingly, I shall permit the drivers, custodians and quality control employees to vote subject to challenge.

DATED at Seattle, Washington, this 15th day of November, 2004.
